

Community Care Associates, Inc.

We Care about your health

WELCOME LETTER

Dear New Member,

Thank you for selecting Community Care Associates, Inc. (CCA-I) as your Wayne County Health Choice provider. Health Choice is a **limited health benefit program and it is not traditional health insurance**. We look forward to providing you with the highest quality of service available through the Health Choice program.

The first step is to select a Primary Care Physician (PCP) from this directory. PCPs are practitioners in the following areas: Family/General Practice, Internal Medicine and Pediatrics (IMPORTANT: See last page for Frequently Asked Questions)

Your primary care physician will provide your basic health care services. If you need specialty care, your PCP will coordinate with our case management department for these services. Specialty services require pre-authorization which must come from your PCP.

Failure to follow these procedures may be considered “self-referral” and will not be covered by Community Care Associates, Inc.

Please call our Case Management Department at :313-961-3100 or 1-866-323-3224 with any questions.

CCA-I will assist you to manage your family’s health care. **Please make sure that you follow the program’s procedures, so you will not be subject to “self-pay” medical costs.**

If you have any questions or concerns about CCA-I please call our toll free number 1-866-323-3224 or 313-961-3100 during business hours (Monday through Friday 8:30 a.m-5 p.m.) or visit us at www.ccarei.com

Again, thank you for selecting Community Care Associates, Inc as your health care provider and we wish you and your family the best of health.

Sincerely,

Community Care Associates, Inc.

With proper documentation (ER discharge documents) CCA can issue a referral within 24-48 hours of the request.
